

Prevention of VTE in medically ill patients COVID-19 and beyond

REGISTER NOW

27 November (12:30 CET) or 9 December 2020 (18:00 CET)

It is our great pleasure to invite you to a webinar entitled:

‘Prevention of VTE in medically ill patients: COVID-19 and Beyond’

Overseen by a renowned scientific committee of experts and chaired by Professor Ajay KAKKAR (London, UK), this webinar will be the first in a series of webinars aiming to provide a forum for discussion of important topics in the field of Venous Thromboembolism (VTE).

Agenda

- **Introduction** A. KAKKAR (Chair, UK)
- **VTE in COVID-19: towards an ideal approach to thromboprophylaxis** G. GEROTZIAFAS (Greece)
- **Reducing the burden of VTE in the acute medically ill population beyond COVID-19** G. LE GAL (Canada)
- **Panel Discussion**
- **Take-home messages** A. KAKKAR

We hope you can join us!
