

We are excited to announce that applications are now open for the William A. Zoghbi International Research Award! This programs offer the opportunity for cardiovascular clinicians and researchers all around the globe to receive the support they need to advance their career in cardiology. Please share these opportunities with your chapter members.

William A. Zoghbi International Research Award

Cardiovascular investigators residing in low-to middle-income countries are invited to apply for the chance to win \$25,000 in funding to support the pursuit of their innovative research ideas!

Proposals addressing innovative pathways for preventing and treating cardiovascular disease in specific communities and/or patient populations are encouraged. Preference will be given to individuals who have between 5 -10 years of experience in clinical research.
